## Reviews

### ***Annual visit***

COMAR §13a.10.01.05 requires annual visit(s) and follow-up visits as necessary. Established MPNL-ES families must complete their first review between September 1 and March 1, unless previous documentation has been inadequate. This documents that we have met and had an opportunity to discuss your homeschooling program, and gives us an opportunity to go over record-keeping before the end of the year. You will receive an electronic copy for your records.

You may elect to attend a field trip, an informal event, or schedule a meeting during the fall review dates. If you choose to have your review during a scheduled field trip, please remember: an RSVP is a commitment that you will attend and pay the fee for the field trip. Please read the field trip and event policy on the files section. It is your responsibility to look and see what events are posted and offered.

### ***End of year Review***

COMAR §13a.10.01.05 requires that we document our educational program. This is a detailed description of your homeschooling program for all subjects usually taught in public school. We strongly encourage you to document as you go. This is the official record of your child's education and should be as detailed as possible to reflect your achievements!

Must be thorough, typed, and signed. See the instructions document for specifics.

Must be received by May 30th.

If you are in the Highschool Transcript Program, you will need to provide a second paper or electronic copy for the program, as requested by the program coordinator.

*A 25.00 late fee will be incurred for forms not received by May 30th.* This fee, as well as the review form, must be received before re-enrollment for the coming year.

**You must complete both reviews each year.** Failure to meet review deadlines will result in additional fees, additional review requirements, and/or dismissal from the umbrella program for non-compliance at our sole discretion.

### ***Policy of Inclusion***

MPNL has a policy of inclusion. We welcome all homeschooling families regardless of family structure, educational philosophy, faith tradition, or other lifestyle choices. We strictly enforce a “no flame” policy for our on-line group.

### ***Re-Enrollment***

You will need to send a re-enrollment form to MPNL by August 15 of the new school year to be considered continuously enrolled in the umbrella program. If you miss the deadline, you will have to conduct a new pre-enrollment interview and pay the registration fee again.

### ***You are fully responsible for the education of your children.***

Ultimately, you are responsible for your child's education, and for meeting the review requirements set forth in COMAR§ 13A.10.01.01, whether you opt for county or umbrella oversight.

Parents or legal guardian must sign the enrollment form and agree to the Requirements and Responsibilities above to be officially enrolled in our MPNL oversight program

***I understand and accept the requirements and policies as noted above. I also understand and accept that I am fully responsible for the education of my child(ren) as set forth in COMAR § 13A.10.01.01 and regulated by the Maryland Department of Education. I agree to release Many Paths of Natural Learning and Many Paths Inc. from all liability in my participation in the umbrella group, including any and all events coordinated by all branches of Many Paths of Natural Learning, and acknowledge that Many Paths of Natural Learning never accepts responsibility for the care and welfare of anyone else's children. Parents are always responsible for the welfare and safety of their children and are responsible for the direct supervision of their children at all times, at every event or field trip.***
